

Material Safety Data Sheet

1. Identification of the Substance/Preparation and the Company/Undertaking

Substance or preparation trade name: French Chalk

Company/undertaking name & address: Parweld Ltd, Long Bank, Bewdley, Worcs DY12 2TZ

Telephone: 01299 266800

Emergency telephone number: 01299 266800

2. Composition

Substance: Talc CAS No 14807-96-6

Content 60-100% w/w

3. Hazards Identification

Not considered Hazardous under current legislation

4. First aid measures

Inhalation:- Provide fresh air and rest. Obtain medical attention

Ingestion:- Do not induce vomiting. Give lots of water to drink, Obtain medical attention

Skin:-Remove contaminated clothing and rinse in water, Obtain medical attention

Eyes:- Wash eyes with plenty of water for at least 15 minutes, Obtain medical attention

5. Fire fighting measures

French chalk is not combustible. There are no special hazards or precautions associated with French chalk if in the vicinity of a fire.

6. Accidental release measures

N/A

7. Handling and storage

There are no special technical measures involved for handling. Normal precautions should be taken to avoid physical injury when moving boxes.

Material Safety Data Sheet

8. Exposure Controls

OES 1mg/m³ resp.du 8hr exposure

Personal protection: No specific equipment noted when used in solid format.

9. Physical and chemical properties

Appearance: Solid, white
Odour: Odourless
Water solubility: Insoluble

10. Stability and reactivity

Normally stable.

11. Toxicological information

Dust may irritate respiratory system or lungs
May cause discomfort if swallowed
Powder may irritate skin
Particles in eyes may irritate

12. Ecological information

No known harmful effects. No special precautions are required

13 Disposal Considerations

Dispose of in accordance with local authority requirements.

14. Transport information

Not classified

15. Regulatory information

None

16. Other Information

None
