

CERTIFICATE OF COMPLIANCE

Part Number	Description
P3646CG	Green Canvas welding curtain
P3666CG	Green Canvas welding curtain
P3886CG	Green Canvas welding curtain

Parweld Welding curtains conform to BS 3119/20 & BS 5438 and provide protection against arc light and UV/IR radiation for non welding personnel. Welding screens should not be used to protect people performing welding operations, for this purpose an appropriate head shield should be used.

The above detailed parts have been produced under a manufacturing and inspection system in accordance with BS EN ISO9001: 2008

The manufacturing and inspection systems are independently audited to BS EN ISO9001

A handwritten signature in black ink that reads "J. Websdell".
